MISS ETHEL M. RUTH

WEDS LUDOVIC RABY

An early June wedding of social prominence is that of Miss Ethel M. Ruth and Ludovic Raby, son of Mr. and Mrs. Louis Raby, of the city. The ceremony was solemnized at 2 o'clock in the home of the bride's uncle and aunt, Mr. and Mrs. James Ruth, in Washington avenue. There were no attendants and only the immediate members and a few intimate friends of the two families were included in the guest list. Rev. J. L. Proudfoot, pastor of the First Presbyterian church, officiated, using the beautiful ring service. The bride wore a beautiful gown of white georgette crepe over white satin and a collar of roses and lilies of the valley. A color scheme of pink and green, with roses and ferns being attractively used in the reception hall, where the service took place, and in other rooms, prevailed. Immediately after the ceremony a charmingly appointed wedding breakfast was served. Covers for about fifty were laid. The bride is one of the most popular young women of Connelville and for a number of years has made her home with her uncle and aunt, Mr. and Mrs. James Ruth. Before her marriage she was a clerk in the Second National bank and for some time past had served as deputy registrar of vital statistics. During the World War she was chief clerk to the local draft board, No. 2. Mr. Raby attended the Carnegie Institute of Technology, Pittsburgh, and is employed by the Connelville Coal and Coke company near Greensburg. Following a wedding trip to eastern points of interest, Mr. and Mrs. Raby will be at home at Forbes Run, near Greensburg. Out of town guests at the wedding were Mr. and Mrs. E. A. SCHOOL TAX MILLAGE AND
ASSESSMENTS.

The attention of The Courier has
been directed to the unfairness of a
comparison between the school tax
levy in Connelville and in Latrobe,
or other Westmoreland county towns,
because of the wide difference be-
tween the assessments of properties
for purposes of taxation in the nei-
ghoring county and Fayette.

In Westmoreland the valuations are
proportionately much higher, hence if
the Connelville millage were applied
in Westmoreland districts the tax-
ation would be very much heavier than in
Fayette. This is illustrated by a
further comparison between Connelville
and Latrobe. The present valuation
for school tax purposes in Con-
nelville is \$1,829,310. In Latrobe,
where the population is 9,841 as
against 13,801 in Connelville, the
valuation in round numbers is \$3,500,-
000, or approximately \$670,000 more
than our own.

Twenty mills, the rate fixed for the
 ensuing year in Latrobe, will yield
 \$1,000,000. Applied to Connelville
 it would yield but \$36,881, or \$13,445
 less than in Latrobe. Thirty mills,
 the new levy fixed for Connelville,
 will produce \$111,877 on our existing
 valuation. On a valuation equal to
 that of Latrobe's the same amount of
 tax could be raised in Connelville
 by a levy of 28.3 mills. Because of
 these differences Connelville suffers
 somewhat when its school tax levy of
 26 mills is contrasted with 26 mills in
 Latrobe.

It is further pointed out that the
 Connelville schools will have ap-
 proximately \$80 more students next
 year than Latrobe, the enrollment
 being estimated at 2,800 for Connelville
 and 2,000 for Latrobe. In an-
 other particular Latrobe has an ad-
 vantage over Connelville. Unity and
 Derry townships, both large and
 populous, adjoining the borough of
 Latrobe, and both without high
 schools, send more students to the
 Latrobe high school than are resi-
 dent in the borough. This provides a
 very much larger income from tuition
 from non-resident students than Con-
 nelville receives, reducing by that
 amount the funds necessary to be
 raised by the taxpayers of Latrobe.

The Courier is glad to be able to
 place the foregoing before its readers,
 it being in line with the suggestion
 made in these columns some days ago
 that more detailed information from
 the school board as to the precise
 facts of the financial situation is very
 much desired by the taxpayers of
 Connelville. They wish to be more
 fully satisfied as to the necessity for
 an increase of five mills in the tax
 levy and the retention of the \$5 head
 tax.

The facts herein given as to valua-
 tions will be informing. Even more
 enlightening will be a statement show-
 ing the purposes to which the funds to
 be derived by the increase in taxation
 are to be applied.

TIME FOR CHANGE IN
ATTITUDE.

The order of the Railroad Labor
 Board for a reduction in wages, ef-
 fective July 1, will not of itself ac-
 complish the purpose of a readjust-
 ment in business, industry and the
 costs of living if it is not accompanied
 or promptly followed by action on the
 part of other interests that will aid
 in the restoration of normal condi-
 tions.

If there are no corresponding re-
 ductions in the retail prices of com-
 modities the railway employees will
 suffer no little inconvenience and dis-
 tress by the curtailment in their earn-
 ings, hence be without relief from the
 high costs of living. Without a reduc-
 tion in freight rates the lower cost of
 furnishing transportation cannot be
 passed on to shippers. Knowing at
 this time the extent to which the re-
 duction in wages will reduce the ex-
 penses of operating their lines, the
 railroads should begin at once to take
 the necessary steps to revise freight
 rates downward at the earliest pos-
 sible date.

At the same time the workers, con-
 tractors and material dealers in the
 building trades should get together
 and by mutual concessions make it
 possible for this essential industry to
 assume a degree of activity housing
 conditions throughout the country de-
 mand. Once the embargo on building
 has been removed, an endless chain
 of activities will be started to provide
 employment and produce freight,
 which are the life-blood of industry.

The time has passed when individ-
 uals or interests should continue to de-
 mand for either services or commodi-
 ties the limit of what can be exacted
 from the buyer. The action of the

Railroad Labor Board is plain notice
 that there must be a change of atti-
 tude by those who would resist the
 tendencies and the influences that are
 operating to bring things down to a
 reasonable basis. Nothing will be so
 helpful in that direction as the mani-
 festation of the spirit of live and let
 live. And more, it will be vastly more
 profitable than a continuance of the
 policy of getting while the getting is
 good.

CHURCH LEAGUE SEASON.

The opening of the season between
 the ball clubs comprising the church
 league of the city ought to serve as a
 very decided stimulus to outdoor
 sports in Connelville. No pretense
 being made by the players in this
 combination of being experts, and
 without claiming that their exhibi-
 tions will rival in interest those
 given by teams making ball playing
 more or less a seasonal occupation,
 the contests will be staged purely for
 the love of the sport and as a means
 of affording health-giving recreation
 to the players and the rooters for the
 several teams.

For these reasons and as an oppor-
 tunity for the people of the community
 to mingle together the games of the
 league should be largely attended.
 You will get plenty of fun and enjoy-
 ment out of the games and lots of
 benefit from an hour or two spent in
 the open free of the cares of work or
 business.

Steen, Miss.—"I was all run down and nervous with female trouble and my sides pained me so at times that I could hardly walk. I suffered for four years with it. Then I saw your advertisement in the paper and began taking Lydia E. Pinkham's Vegetable Compound. I feel stronger and am able to do most of my housework now. I recommend your compound to my friends and you may use this letter if you care to do so."—Mrs. W. H. Blake, Route 1, Steen, Miss.

How many women, overworked, tired and ailing, keep up the ceaseless treadmill of their daily duties until they are afflicted with female troubles as Mrs. Blake was, and are run down, weak and nervous. But every such woman should be convinced by the many letters like hers which we are constantly publishing, proving beyond question that Lydia E. Pinkham's Vegetable Compound will overcome such troubles and restore women to normal health and strength. Letters about your health will be given careful attention and held in strict confidence if you write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

William Martin of Cleveland, O., is visiting friends and relatives here.

At the Theatres

THE SOISSON.

"A VOICE IN THE DARK"—A Goldwyn picture featuring an all star cast, opened today for a three-day attraction at this theatre. Out of a tangle of passion and jealousy, in which five persons figure, there comes the murder of a certain Doctor Sainsbury. Evidence points with equal strength to each of the remaining four. Yet up to the last minute the audience is kept in suspense, and it is the combined testimony of a blind man, and a deaf woman, that the truth is revealed.

THE PARAMOUNT.

"PRINCESS JONES"—A Vitaphone picture, with Alice Calhoun, in the stellar role, is being shown today. "Princess Jones" is a sparkling drama, replete with humor and strong human interest and containing several tensely melodramatic situations. It provides an ideal vehicle for the charming and dainty young screen favorite who in this notable production makes her first appearance in a stellar role. Tomorrow and Saturday "I Am the Woman," starring Texas Guinan will be shown.

THE ORPHEUM.

"HER FIRST ELOPEMENT"—Featuring Wanda Hawley, the beautiful screen star, is the leading attraction today. "Her First Elopement" is said to give Miss Hawley another of those cleverly humorous roles which she has so successfully interpreted in "Miss Hobbs," "School for Scandal" and "Her Beloved Villain." She is cast in the role of a spoiled and wealthy orphan, who keeps her guardian in a constant state of anxiety over her escapades and flirtations. Friday and Saturday "The Place of Darkened Windows" will be presented.

INGROWN TOE NAIL
TURNS OUT ITSELF

A few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so softens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night. "Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.—Adv.

Why That Headache?

When you know the cause of a disease a cure may often be effected. This is particularly true of headache. Headache often results from constipation or a disordered condition of the stomach, which may be corrected by taking a dose or two of Chamberlain's Tablets. Try it. These tablets are easy to take and mild and gentle in effect.—Advertisement.

Getting Along Good.

Women are as great sufferers from kidney and bladder ailments as men. Foley Kidney Pills help rid the blood stream of impurities that cause rheumatic pains, backache, swollen, aching joints and stiff, painful muscles. Mrs. Carey, Box 91, R. P. D. No. 2, Middletown, N. Y., writes: "I had kidney trouble ever since I was a little girl, but I am getting along good since I have taken Foley Kidney Pills." They act immediately and help restore the kidneys to healthful activity. Sold everywhere.—Advertisement.

Rarely does an indisputably safe investment yield so high a dividend, over as long a term of years, as an investment in a Hoover for your home. For this efficient cleaner actually returns its full cost every twelve months through the savings it effects. It pays this 100% annual dividend by reducing your present carpet-cleaning expense, by lowering the cost of household help, by cleaning so dustlessly that less laundering of curtains is required, by bettering the family health through fostering greater sanitation, and by very materially prolonging the life of your valuable rugs. Only The Hoover gently beats out all nap-wearing, embedded grit, as it electrically sweeps and suction cleans. Invest in a Hoover.
